

# Impact of AI on Access To Justice

Date: 6<sup>th</sup> June 2024

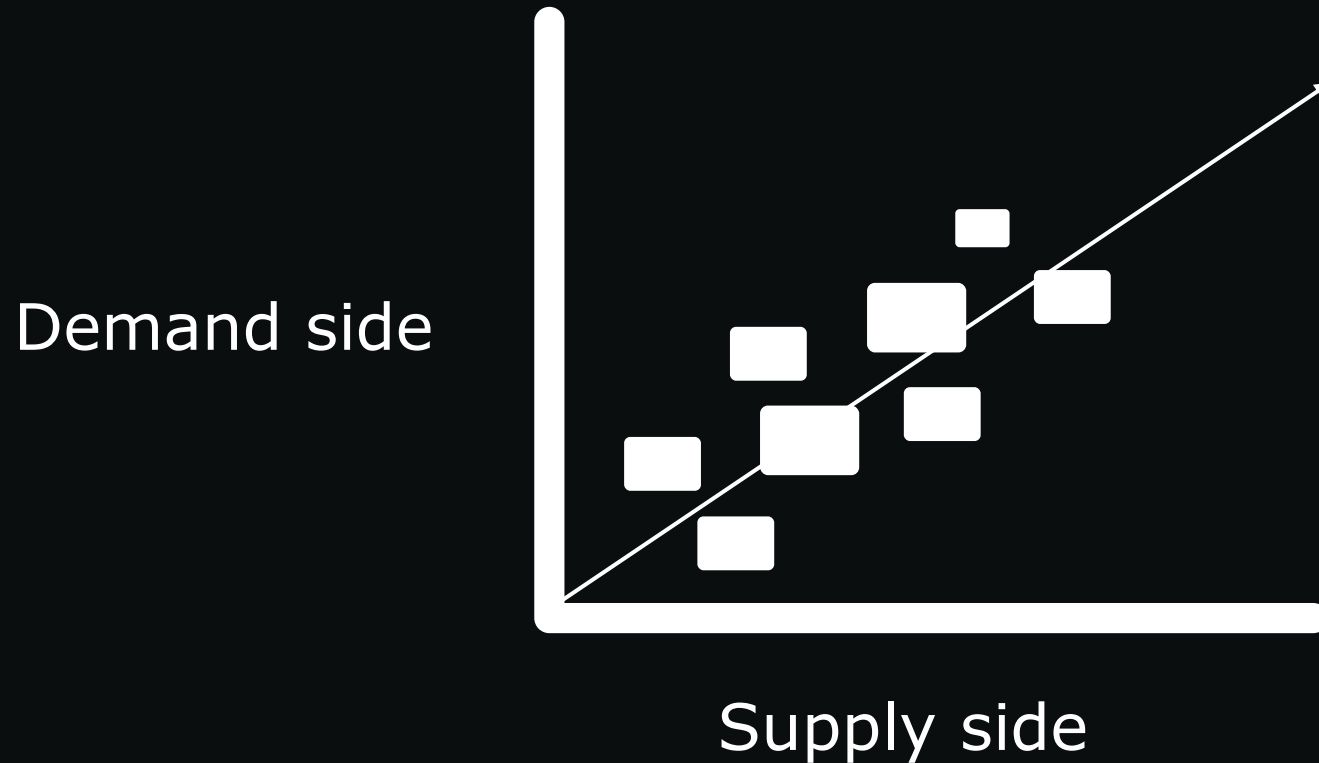

# Problem

**Demand for expert guidance/advice is outstripping affordable supply**

# Solution

Scaling the human touch, not replacing the human touch, with Generative AI so you can increase supply to meet demand

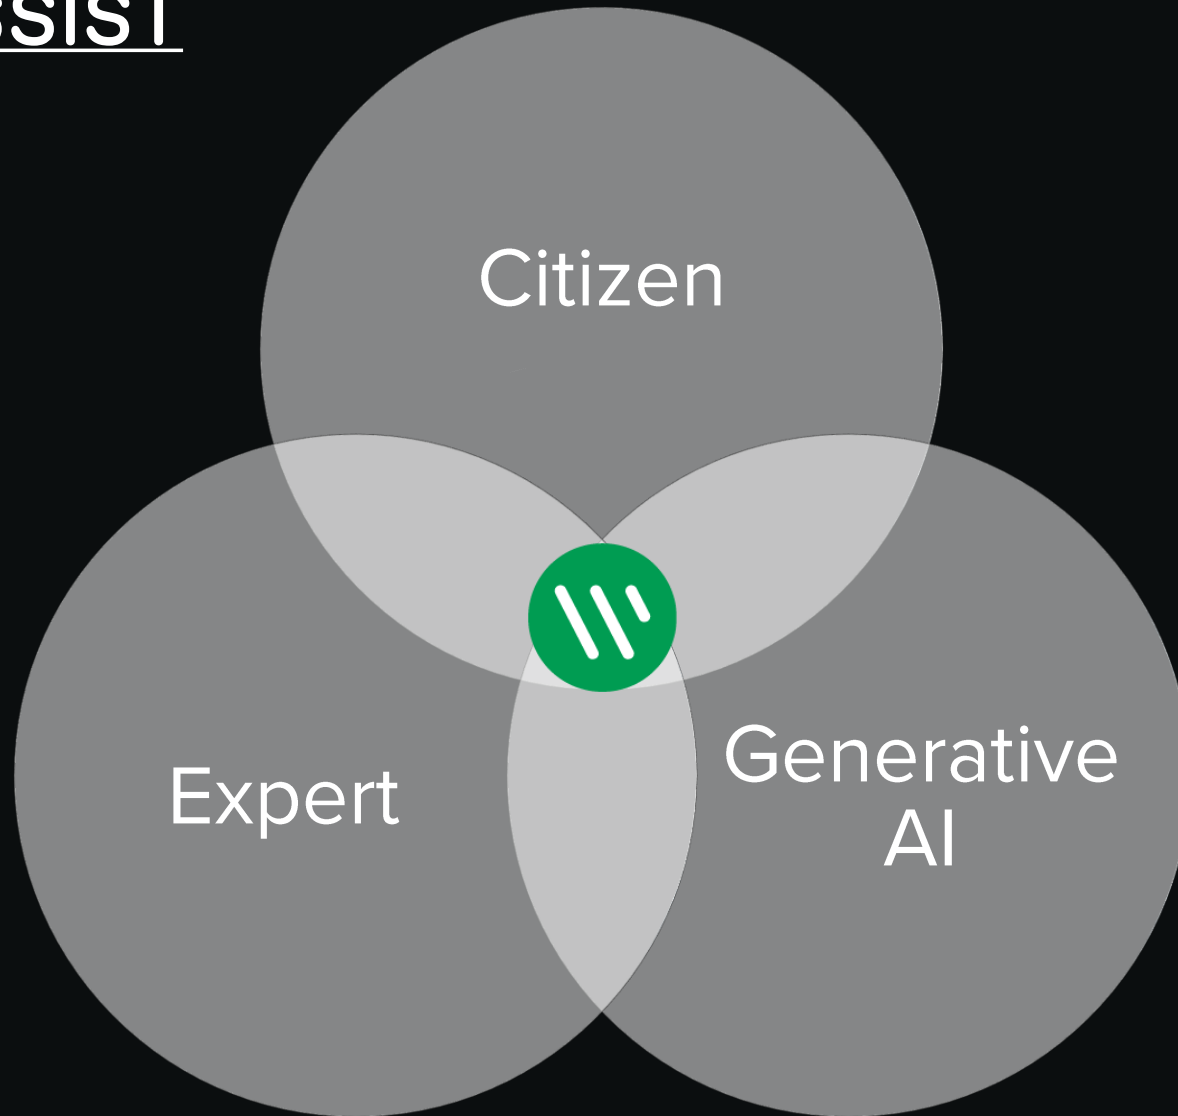

# Wyser's ASSIST

"90% time saving in data entry"

"10% to 20% increase in capacity"

# Designing ASSIST

# Developing ASSIST

Agile  
development +  
deep user  
research

Fine-tuned  
Open-Source  
models

Continuous  
mitigation of  
risks

wyser

Automatic Speech  
Recognition (ASR) model

Innovate UK

# Implementing ASSIST

Change  
Management

Technical  
Challenges
